

Discovery Playtown Parent Policy and Release Form

Registration: Discovery Playtown (DPT) must have a completed online family registration, parent policy and medical release form before enrollment. We must have a copy of the Certificate of Immunization Status report by a child's second visit. The annual registration fee is \$45 per family, due at pick up on the first visit and it is non-refundable. Renewal registration is currently \$45 per family, is due on each family's anniversary date, and is subject to future increases. This fee is waived for families who have not already paid the fee who are pre-paying for our 2019 season of Camp Discovery by full weeks only.

Tuition is hourly (prorated by the minute) and charged at the time of pick up. If you have prepaid for camps or other programs, these fees must be paid by the deadline for the specific program, and hourly (prorated by the minute) tuition will be charged only for time your child is in care before or after the scheduled program times. The tuition costs per child are:

Age	First Child	Sibling
12 months-35 months	\$13.00/hr	\$9.00/hr
36 months-6 years old (Pre-K)	\$11.00/hr	\$7.00/hr

Open Door Policy: Parents are welcome to enter our facility at any time. Unless a background check through the WA State Patrol is on file for that parent, the parent will be escorted by DPT staff.

Hours and Holidays: DPT's regular hours are: Monday -Friday: 7:30am-5:30pm and we operate 12 months a year with some closures for holidays and staff development. Please see the Parent Handbook for specific dates. All other closures will be posted on our website and in our lobby. Children can remain in our care for a maximum of 10 hours. Please make sure to arrive to pick up your children at/before the end of your reserved time. Regular tuition rates can only be extended by in-person or phone, as space allows. There will be a late fee of \$1.00 per minute per child after 5:30pm (9:00pm for Parents' Night Out) or once the child's 10 hour limit is reached. If enrolled in a specific program, such as camps, there is a 5 minute grace period for drop off and pick up. Regular tuition rates apply to time your child spends in our center outside of the program scheduled time.

Reservations are not required, but are recommended for all children. You can reserve through our online system, in person, or by phone. For standing reservations a signed agreement is required. Walk-ins will be admitted only if space allows.

Potty Training and Diapering: Please let our front desk staff or a teacher know where your child is in the potty training process. Our teachers are fully trained to change diapers and assist you in the potty training process. You are responsible for bringing the supplies your child needs: wipes, extra diapers or pull-ups/underwear and a complete change of clothes for your child. Please label all items with your child's first and last name. There will be a charge of \$1.00 for each pull-up supplied by DPT.

Meals and Snacks are served 9:30-10:30am, 1:30-2:30pm, and 4-4:30pm, and lunch is served 11:30am-12:30pm. Snacks are provided by DPT and typically consist of crackers and water, with fruit or cheese/yogurt. Lunch is served at 12:00pm for preschool age, and 11:30am for toddlers. If your child will need lunch while in our care, it may be brought from home or purchased through us from Panera. Lunches ordered from Panera cost \$6.00+tax. If a child's stay lasts during lunch time, and they are not signed up for a lunch and did not bring one from home, we will feed them and add the lunch cost to the bill. Lunches may be brought from home, but please do not bring any food item that contains peanut or tree nut products. If your child brings food from home containing nuts, we will remove the food, and replace the item with something from our snack

supplies and you will be charged a fee of \$1.00 per item. If adequate replacements cannot be made to ensure a healthy balanced meal, we will order a lunch from Panera and the cost will be added to your account, payable upon check out.

Illness: DPT cannot accept children who are ill. Children must be fever-free and symptom-free for at least 24 hours before visiting DPT. If your child is dropped off ill, we will call you to return and pick them up. We cannot administer any medication or routine medical procedures (i.e. inhalers, nebulizers). If you need to leave emergency medication with your child, such as epi-pens or inhalers, a completed medication release form must be on file and medication needs to be in its original packaging with the child's name, prescribing doctor's name, and instructions for its use printed on the label.

Special Needs: DPT does not discriminate against any person with physical, mental or sensory disabilities. However, our services do not include one-on-one supervision. If your child has special needs, we will require a plan to be on file to adequately meet your child's needs while in our care, including plans for emergency situations.

Emergency Procedures: Please be sure to update emergency contact phone numbers with our staff. Each family must have at least one emergency contact that is not a parent. In the event of a medical emergency, we will call 911 and phone the parent immediately. If parents are not available, we will contact the emergency contacts. Please see the parent handbook for more details on our Disaster and Emergency Preparedness Policy.

Only parents will be allowed to check children in and out of DPT. Parents must show their photo ID upon pick up. Authorized persons will be able to check children in/out if prior arrangements are made with DPT.

Discipline: We use only positive methods of discipline and guidance that encourage self-esteem, which include praise of good behavior, reminding children of behavior expectations, redirection and brief supervised separation or time-out from the group (located by the front desk or in a chair in the classroom), when appropriate for the child's age and development. No corporal punishment, physical or verbal abuse, abusive language, or withdrawal of food, naps, or toilet training of any kind is allowed on the premises by anyone, including parents. For the safety of all, children that show repeated misbehavior or biting will be asked to take a two-week respite from DPT. Policy changes will be made in writing as needed and provided to all parents. Parents may be contacted by phone as needed for information needed in regard to their children.

Mandated Reporting: The staff of DPT is required by law to report any instance where there is reason to suspect the occurrence of physical, sexual, or emotional child abuse, child neglect or exploitation to the police or Child Protective Services. Notification of the parents is solely dependent upon the recommendation of the police or Child Protective Services. Children will not be released to a parent or any other person who is under the influence of drugs or alcohol.

Non-Discrimination: DPT does not discriminate on the basis of gender, race, color, creed, religion, sexual orientation, gender identity, or national origin. However, we reserve the right to refuse service to any person or persons for legitimate business reasons, such as maintaining the safety of our facility and the children in our care.

Photo/Video Release: I hereby grant DPT permission to use photographs/video of my child(ren), taken during their stay at DPT, to be used solely for the purposes of DPT promotional material, website, and publications. No personal information (such as names) will be associated with these pictures. I will make no monetary or other claim against DPT for the use of the photographs/video.

I have read the above carefully and fully understand the content and consequences of this agreement and agree to abide by and be bound by the above policies and procedures and release.
